

## WIRE AND WIRE MANAGEMENT

Having the right wiring accessories at hand can greatly ease product installation, especially in the field. Scorpion can supply (in both large and small quantities) from stock a variety of wire and wire management products, including hookup wire, multi-conductor cable, retractile (coiled) cable, tie wraps, cable hold down clips, grommets, hole plugs, shrink tube, terminal strips, diodes, split loom and cord grips. The listed items are normally carried in inventory, and many others are available with very short lead times. For more details and specific part numbers, visit our website [www.controlgrips.com/Wire.php](http://www.controlgrips.com/Wire.php).
